FUNDRAISING & DONATION OPPORTUNITIES

The Rocky Mountain Livestock Association (RMLA) is a local organization that supports agriculture and the people behind it. Our mission is to preserve, protect and promote the agricultural way of life, which includes property rights, water and livestock of persons engaged in agricultural production in the State of Montana.

Donations allow RMLA to support area youth through Scholarships, the Investment Heifer program, and to stay present and active in agricultural issues with the Montana legislature to advocate for our local ranchers.
